THEN, WOULD IT BE POSSIBLE TO LOCK THEM UP IN ONE OF THESE DEVICES?

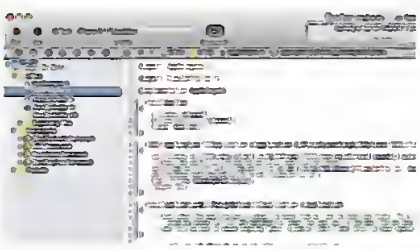

- The purpose of the experiment:
  To lock the Bodhisattva with a Thousand Hands inside the smart phone

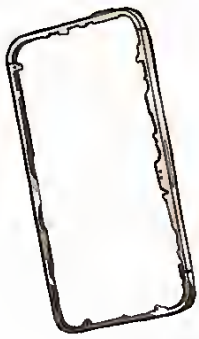

- The supplies.
  A Why-phone 5s Champaign Gold that I bought to use for the experiment

- The plan:
  I make an app which can lock the spirit inside a device* and prevent it from leaving

* Device: A machine made for a purpose, in this instance, a smartphone

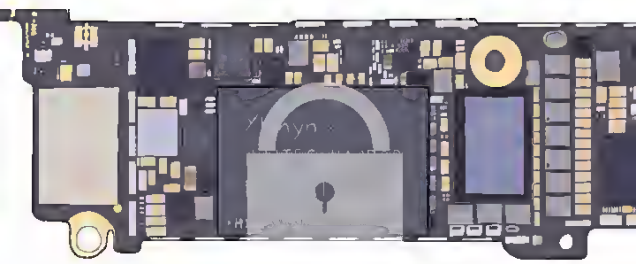

The metal that runs along the border of the Whyphone acts as a conductive antenna.

The antenna reads the spirit's data (in the form of electronic waves), and it opens the path for the spirit to come in.

While the app is running, the spirit's data is saved and stored in the device's memory.

When the spirit's data enters the device's memory, the system locks, closing the spirit inside.

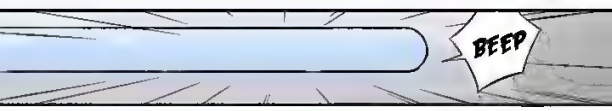

If the spirit tries moving its own data somewhere else or deleting itself, the data needs to be restored.

So when the spirit is captured, the experiment is over.

Listen...
I know what you're going through.
But Bodhisattva with a Thousand Hands is one of the most powerful Divine Spirits...
There must be a reason why you've been chosen to get posessed by her.

You must be possessed by a Divine God... for everyone's sake.
So you should let Bodhisattva with a Thousand Hands out as soon as possible...
WHAT ABOUT ME?

?

WHAT SHOULD I DO?
WHY DO I HAVE TO SACRIFICE MYSELF FOR GOOD THINGS FOR EVERYONE ELSE IN THE WORLD?

...!

...

You have to accept me!
It's for an important reason!

Bodhisattva with a Thousand Hands!

REASON ?

I saved
Your life once...

WHAT IS THAT GOT SAYING?
MOM?

You had a very high temperature...

You were young and you'd been left alone for too long...
The doctors told me to prepare for anything...

The only thing I could do was pray to the gods...

Then, she appeared.
Bodhisattva with a Thousand Hands.

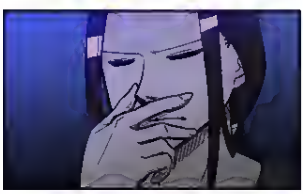

But... there was a condition.
Later, you would have to serve Bodhista with a Thousand Hands

I couldn't watch you die, so I accepted it

Now...
You need to be grateful for what Bodhisattva with a Thousand Hands has done for you.
Get her out of there, now.

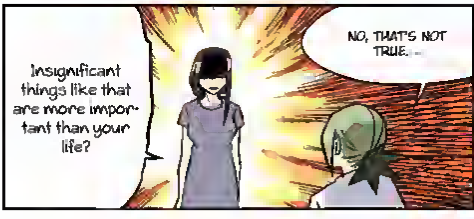

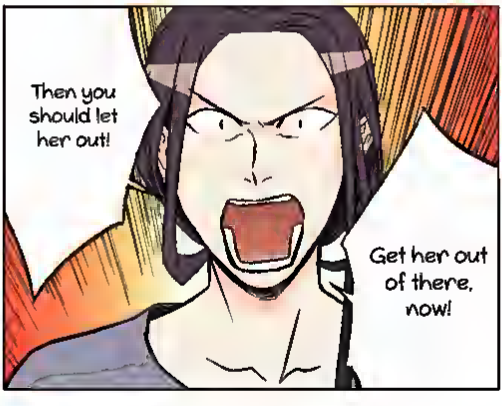

I DON'T WANT TO!
IT'S GOING TO BE REALLY HARD FOR ME!

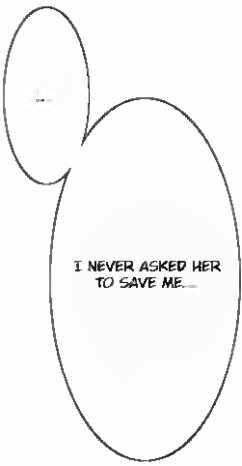

You bastard! Didn't you hear me!
She saved your life!
flinch

AND I'M GRATEFUL...
BUT I STILL HAVE THINGS THAT I WANT TO DO

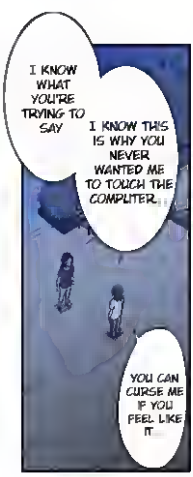

You bastard...

Insignificant things like that are more important than your life?
NO, THAT'S NOT TRUE.

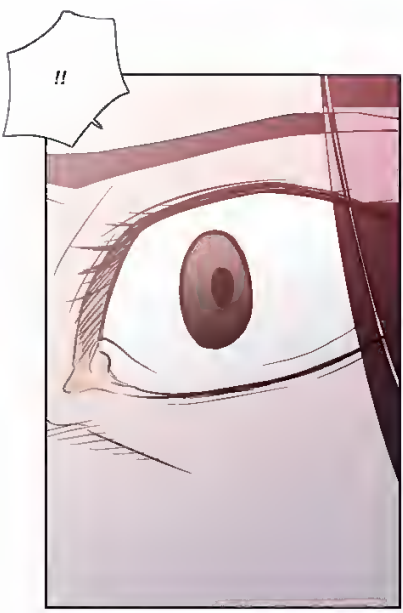

Then you should let her out!
Get her out of there, now!

...
I NEVER ASKED HER TO SAVE ME...

What?!

I KNOW WHAT YOU'RE TRYING TO SAY
I KNOW THIS IS WHY YOU NEVER WANTED ME TO TOUCH THE COMPUTER...
YOU CAN CURSE ME IF YOU FEEL LIKE IT

Stop, now!

What the hell are you doing? Stop him, now!
We're running out of time!

!!

I am sorry, Bodhisattva with a Thousand Hands.
Kyu?!

I wanted my son to live a normal life, even if it was short.
All I could do for him was to become the shaman and delay the possession of the Divine Spirit.

When my son found his calling and tried to walk the road other kids his age didn't even think about...
I was so proud of him.

But when I thought about my son having to some day give up that dream...
My heart throbbed with pain.

I was scared...

What if he hated me?
He could hate me for the rest of his life

But...
NO MATTER WHAT YOU SAY, MY HEART WILL NEVER CHANGE
Even though it's selfish... When I looked at my son, who wanted to bravely walk his own path...

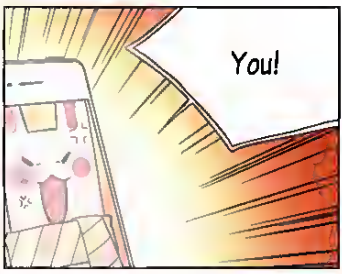

My heart felt much lighter ...

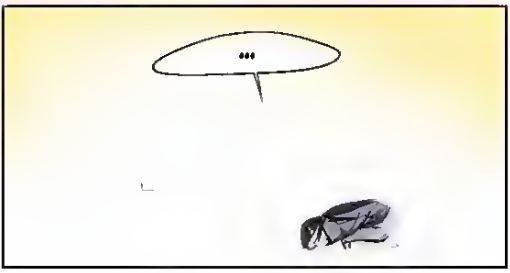

You! What are you trying to say?!
